The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for 12th Street Drainage Project Phase II in fiscal year 2027.

The entity to receive funding for this project is the City Park Redevelopment Authority, located at P.O. Box 22167, Houston, TX 77227.

If appropriated, the funding will be used to complete Phase II of the 12th Street Drainage Project, reconstructing a critical roadway between Hempstead Highway and Ella Boulevard, resulting in upgraded stormwater detention infrastructure and transportation facilities to serve the growing Lazybrook/Timbergrove area. This is an appropriate use of taxpayer funds because it would increase the area's resiliency and reduce stormwater flooding and impacts of severe weather events, which have repeatedly flooded the area.

The project has a Federal nexus because the funding provided is for purposes authorized by Chapter 53 of Title 49 of the United States Code.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Lizzie Fletcher". The signature is written in a cursive, flowing style.
