

CONGRESSIONAL APP CHALLENGE

MEET THE CHALLENGE.

Middle and high school students across Houston are invited to take part in Congresswoman Lizzie Fletcher's Congressional App Challenge! Design and code your app, due by October 30, 2025. The winning coders will be invited to Washington, D.C. for the #HouseOfCode.

TX-07 winners in the past have created apps that help our community, including Oasis, a mental health app, and Clean Air Tracker, which provides real-time air quality information.

What will you create?

ELIGIBILITY REQUIREMENTS

- Participants must be middle or high school students.
- Students compete in one congressional district; where they live or go to school.
- At least half your team must be eligible in the district where you're competing.
- Teams can have up to four members.

HOW IT WORKS:

1. Register:
CongressionalAppChallenge.us
2. Decide whether you'll create your app alone or with a team of up to 4 people.
3. Design, create, and code your app!
4. Code in any script **or** block coding language.
5. Submit a written description and video demonstration.
6. The app submission portal is open May 1 - October 30.

CODEFEST

If you're interested in attending a codefest to meet other coders in your area, email:

Grace.Kuperman@mail.house.gov.
