The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Chimney Rock and Gulfton Street Connector at Burnett Bayland Project in fiscal year 2027.

The entity to receive funding for this project is Harris County Precinct 4, located at 3131 Eastside, 6th Floor, Houston, TX 77098.

If appropriated, the funding will establish a new connector between Chimney Rock Road and Gulfton Road through Burnett Bayland Park, providing a critical east-west link within one of the most densely populated areas of Houston. This is an appropriate use of taxpayer funds because it will directly support the community's vision and desire for a safe, walkable neighborhood.

The project has a federal nexus because the funding provided is for purposes authorized by Title 1 of the Housing and Community Development Act of 1974, Public Law 93-383, as amended 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Lizzie Fletcher". The signature is written in a cursive, flowing style.
