The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for a project to bring multimodal connectivity to Jaycee Park in fiscal year 2025.

The entity to receive funding for this project is the City Park Redevelopment Authority (TIRZ 12) located at 9600 Long Point Road, Ste. 200, Houston TX 77055.

If appropriated, the funding would be used to construct safe, multimodal infrastructure, including street lighting and shared use paths leading into Jaycee Park to ensure accessible outdoor spaces for residents of the community. The project is an appropriate use of taxpayer funds because it will improve the safety of the community and make public facilities more accessible.

The project has a federal nexus because the funding provided is for purposes authorized by Title 1 of the Housing and Community Development Act of 1974, Public Law 93-383, as amended U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Lizzie Fletcher".
