The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Fort Bend County Transit Scheduling and Dispatch System Replacement in fiscal year 2024.

The entity to receive funding for this project is Fort Bend County Transit, located at 301 Jackson Street, Richmond, TX 77469.

If awarded, the funding would be used for a new scheduling and dispatching system that includes an Automatic Vehicle Location (AVL) vehicle tracking system, Federal Transit Administration required Automatic Vehicle Annunciator (AVA) system, Automatic Passenger Counters, Wi-Fi, and related services including information technology support and training.

The project is an appropriate use of taxpayer funds because public transportation is an essential resource that helps bridge the gap of unmet transportation needs for citizens across Fort Bend County and Texas' Seventh Congressional District.

The project has a Federal nexus because the funding provided is for purposes s authorized by chapter 53 of title 49 of the United States Code.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Lizzie Fletcher".
