The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Mission Bend Elementary School Rebuild in fiscal year 2024.

The entity to receive funding for this project is Fort Bend Independent School District, located at 16431 Lexington Boulevard, Sugar Land, TX 77479.

If awarded, the funding would be used for the reconstruction of an elementary school building that is more than 40 years old. This would update the building to 21st century education specifications for current and future students.

The project is an appropriate use of taxpayer funds because it will update a public school that was built more than 40 years ago and serves more than 700 students. This significant investment in education within the community will incentivize neighborhood revitalization.

The project has a Federal nexus because the funding provided is for purposes authorized by Title 1 of the Housing and Community Development Act of 1974, Public Law 93-383, as amended 42 U.S.C., 5305(a)(2).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Lizzie Fletcher".
