The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Sugar Land Regional Airport Runway Improvements Project in fiscal year 2025.

The entity to receive funding for this project is the City of Sugar Land, located at 12888 S Texas 6 B, Sugar Land, TX 77498.

If appropriated, the funding would be used to repair and reconstruct the Sugar Land Regional Airport runway. The runway, which has been in operation for more than 30 years, has experienced significant wear and tear, leading to increased safety risks and reduced operational reliability. The project is an appropriate use of taxpayer funds because it will restore the runway's structural integrity, extend its lifespan, and minimize future maintenance costs, ensuring the airport can stay in operation.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C 47100 et seq.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Lizzie Fletcher". The signature is written in a cursive, flowing style.
