The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Safe Routes to School Project in fiscal year 2027.

The entity to receive funding for this project is the Southwest Houston Redevelopment Authority, located at 6588 Corporate Dr #168, Houston, TX 77036.

If appropriated, the funding will support the design and construction of several Safe Routes to School (SRTS) pedestrian improvement projects at high priority locations. This is an appropriate use of taxpayer funds because it will directly support the community's vision and desire for a safe, walkable neighborhood and prioritize the protection of school aged children.

The project has a federal nexus because the funding provided is for purposes authorized by Title 1 of the Housing and Community Development Act of 1974, Public Law 93-383, as amended 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Lizzie Fletcher". The signature is written in a cursive, flowing style.
