The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Southwest Civic Core Campus Phase II Project in fiscal year 2025.

The entity to receive funding for this project is the Southwest Houston Redevelopment Authority located at 6440 High Star Drive, Houston, TX 77074.

If appropriated, the funding would be used to create a community resilience hub by updating an existing facility to aid in emergency preparedness and response during all-hazard events. The project is an appropriate use of taxpayer funds because this population has high and numerous needs that will be served by improving emergency preparedness, addressing the urban heat island effect, and promoting economic development and community livability.

The project has a federal nexus because the funding provided is for purposes authorized by Title 1 of the Housing and Community Development Act of 1974, Public Law 93-383, as amended 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Lizzie Fletcher".
