The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Sugar Land Public Safety Training Facility - Phase III in fiscal year 2027.

The entity to receive funding for this project is the City of Sugar Land, Texas located at 2700 Town Center Blvd. North, Sugar Land, Texas 77479.

If appropriated, the funding will support the design and construction of fire training structures for live fire training and indoor training structures to allow for year-round training for first responders. The project is an appropriate use of taxpayer funds because training is an essential part of the work the City of Sugar Land does to ensure the safety of residents and first responders.

The project has a Federal nexus because the funding provided is for purposes authorized under Title 1 of the Housing and Community Development Act of 1974, Public Law 93-383, as amended 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Lizzie Fletcher". The signature is written in a cursive, flowing style.
