The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the West Alabama Street Multimodal Reconstruction Project in fiscal year 2024.

The entity to receive funding for this project is the Harris County Improvement District #3, located at 3120 Southwest Fwy, Suite 102, Houston, TX 77098.

If awarded, the funding would be used to reconstruct the corridor to improve pavement conditions, improve drainage, provide safe and accessible pedestrian facilities, and build an on-street bikeway along West Alabama Street between Buffalo Speedway and Spur 527.

The project is an appropriate use of taxpayer funds because it will improve overall safety and function of the roadway, enhance access to public transit, facilitate connections to major activity centers, and provide immediate benefits to the Upper Kirby, Montrose, and Midtown Districts.

The project has a Federal nexus because the funding provided is for purposes authorized by Chapter 53 of Title 49 of the United States Code.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Lizzie Fletcher".
