The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Westchase District Pedestrian Access and Safety Improvements Project in fiscal year 2025.

The entity to receive funding for this project is the Westchase District, located at 10370 Richmond Avenue, Suite 1350, Houston, TX 77042.

If appropriated, the funding would be used to improve lighting and pedestrian safety along district streets and to extend the Westpark Trail, enhancing connectivity to the Sam Houston Tollway. The project is an appropriate use of taxpayer funds because it will enhance access to the community trail network and create a safer pedestrian environment.

The project has a federal nexus because the funding provided is for purposes authorized by Title 1 of the Housing and Community Development Act of 1974, Public Law 93-383, as amended 42 U.S.C. 5305(a)(2).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Lizzie Fletcher". The signature is written in a cursive, flowing style.
