The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20510

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the City of Jersey Village Seattle Street Reconstruction Project in fiscal year 2022.

The entity to receive funding for this project is the City of Jersey Village, located at 16327 Lakeview Dr, Jersey Village, TX 77040.

The funding would be used for a full street reconstruction of Seattle Street in Jersey Village from Senate Ave west to the dead end. This project will replace water lines for approximately 55 homes. It will replace sewer lines for approximately 25 homes. The entire street will receive new storm sewer lines that will help remove rain water from the streets and retain it in the larger stormwater pipes to help prevent street flooding and reduce the chance of home flooding on these blocks.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Lizzie Fletcher".
