The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Gessner BOOST Bus Stop Improvements in fiscal year 2024.

The entity to receive funding for this project is Metropolitan Transit Authority of Harris County (METRO), located at 1600 Main Street, Houston, TX 77002.

If awarded, the funding would be used for bus stop enhancements, new bus shelters, improved passenger information, easier boarding platforms, and safe all-door access on one of METRO's most highly utilized bus routes.

The project is an appropriate use of taxpayer funds because it will create transit corridors that are safer, more accessible, and more comfortable for METRO riders and offer faster, more reliable, and more frequent service.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Lizzie Fletcher".
