

# Getting Your COVID-19 Vaccine

Below is a list of websites and resources to help you find out when and where you can get vaccinated against COVID-19. [As of March 29](#), all Texans over the age of 16 are eligible for the vaccine. Texas Department of State Health Services (DSHS) has directed providers to prioritize appointments for people over the age of 80. The vaccine is available at no charge, regardless of insurance.

## STATE OF TEXAS

Texas DSHS has authority over who is eligible for the vaccine and its distribution. [Click here](#) for a statewide map of vaccine distribution availability.

## HARRIS COUNTY PUBLIC HEALTH

Harris County Public Health is proactively seeking those eligible under Texas DSHS guidelines who do not have apparent networks to access vaccine or are potentially the most vulnerable to COVID-19.

If you qualify for the vaccine under the current state guidelines, please register for their waitlist [here](#).

## CITY OF HOUSTON

Please visit [HoustonEmergency.org/covid-19-vaccines](https://HoustonEmergency.org/covid-19-vaccines) for the latest info surrounding the COVID-19 vaccine rollout in Houston. Their COVID-19 call center is also available at 832-393-4220.

You can also receive information about new vaccine appointment opportunities being offered by the city through email, text message, voice call, or mobile app push notification by registering for the HoustonRecovers subscription of [AlertHouston](#).

## OTHER PROVIDERS

A complete list of COVID-19 vaccine providers in Harris County can be found [here](#). This list includes providers that have been designated as vaccine distribution hubs by the Texas DSHS and local providers like pharmacies that may have the vaccine available.

Please contact these facilities directly or view their registration information for more detail. Note that not all providers are vaccinating the public.

## ARE YOU A VETERAN?

Sign up via the Houston VA's "[Keep Me Informed](#)" tool to express your interest in getting the vaccine and to learn more.
